

Meet the Surface Go 3

Full-access flexibility for
your frontline

Deliver better with a more productive frontline workforce

Serve your customers better with faster, ultra-versatile, and always-connected Surface Go 3 with compact tablet-to-laptop flexibility for work on the go, more speed from the Intel® Core™ i3 Processor, Microsoft security built in at every layer, and optional LTE Advanced.¹

¹Surface Go 3 with 4G LTE Advanced is coming in 2022. Visit [Surface](https://Surface.microsoft.com), Surface.com for updates on availability in your market. Availability may vary by market and configuration.

Designed for work on the go

Speed through tablet-and-digital pen tasks with touch and Surface Pen,* and tune in to virtual meetings with the 10.5" PixelSense™ Display. Get up to 11 hours of on-the-go power², plus Fast Charging.

Your connection to customers

Keep lines of communication with your customers open with a faster processor, stable connectivity and ultimate mobility with optional, secure LTE Advanced¹ and fast Wi-Fi 6, and seamless interactions with essential Microsoft 365 apps.*

Flexibility for every task

Empower your workforce with modes that adapt to the ways they need to work. Whether checking off tasks, handwriting notes on screen, capturing photos in Tablet mode, typing field reports in Laptop mode, or doing a video consult with an offsite engineer in Microsoft Teams,* Surface Go 3 helps your workers get the job done.

Deploy, manage, and stay secure from anywhere

Onsite or in the field, keep company information and customer data safe, and stay compliant and secure with built-in security and firmware-level modern management. Reduce complexity for IT with zero-touch deployment, one-click device manageability, and protection from Microsoft.

*sold separately

¹Surface Go 3 with 4G LTE Advanced is coming in 2022. Visit Surface. Surface.com for updates on availability in your market. Availability may vary by market and configuration.

²Surface Go 3 battery life: Up to 11 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in August 2021 using preproduction software and preproduction configurations of Surface Go 3. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Tested with Windows Version 11.0.22000.9 (21H2). Battery life varies significantly with settings, usage and other factors.

Technical specifications

Dimensions	9.65" x 6.9" x 0.33" (245 mm x 175 mm x 8.3 mm)	Weight³	Wi-Fi: 1.2 lb. (544 g), not including Type Cover
Display	Screen: 10.5" PixelSense™ Display Resolution: 1920 x 1280 (220 PPI) Aspect ratio: 3:2 Contrast ratio: 1500:1 Touch: 10-point multi-touch Corning® Gorilla® Glass 3	Keyboard compatibility*	Surface Go Signature Type Cover Surface Go Type Cover
Memory	4GB or 8GB LPDDR3	Pen compatibility*	Microsoft Surface Go 3 supports Microsoft Pen Protocol (MPP)
Processor	Dual-core Intel® Pentium® Gold 6500Y processor Dual-core 10th Gen Intel® Core™ i3-10100Y processor	Storage⁴	eMMC drive: 64 GB SSD drive: 128 GB
