

Meet the Surface Laptop Go 2 for Business

Sleek and light for work anywhere

Ready to Go to work

From wherever you work, Surface Laptop Go 2 brings portability, quality you can see and touch, and Studio Mics and HD camera to help you show up great. For every project plan, team video call, and customer presentation you take on, lightweight Surface Laptop Go 2 delivers performance, long battery life, and Windows 11 to help you find focus and be productive. From getting it all done to keeping it all secured, Surface Laptop Go 2 takes your job as seriously as you do.

Take on your everyday tasks

Get results that matter, no matter where you work, whether presenting to your client online, organizing a team meeting, or capturing a customer order. Tackle projects with business-grade performance, comfortably type through your day, stay productive on the go with long battery life, and collaborate with colleagues and customers in crisp and clear video calls.

Design that works for you

Designed to help you be productive anywhere. Light, portable Surface Laptop Go 2 helps you get it done with a 12.4" PixelSense™ touchscreen optimized for Windows 11 touch experiences. Sleek and slim, Surface Laptop Go 2 slips easily into your bag and rests lightly on your lap so you can take your work anywhere.

Deploy, manage, and stay secure from anywhere

Give IT peace of mind knowing that company and customer data are safe and secured because Surface Laptop Go 2 is a Secured-core PC, enables One Touch sign-in, and has a removable hard drive.¹ Surface customers save time and money with streamlined deployment, modern device management, and built-in, cloud-powered security.

Flexibility for everywhere you work

Your office may change from one day to the next, but flexibility is essential for wherever work takes you. Surface Laptop Go 2, Windows 11, and Microsoft 365* together offer cloud-enabled experiences, more ways to collaborate, and accessibility features designed to help you do your best work. Connect to the people, information, and systems you need from anywhere so you can achieve more.

*Sold separately. Software license required for some features.
