DATA SHEET

MS TEAMS - CERTIFIED

EVOLVE**2** 85

Engineered to keep you focused.

The best headset for concentration and collaboration.*

Better noise cancellation, impenetrable concentration zone

Our most immersive experience yet, with powerful digital hybrid Active Noise Cancellation (ANC), and incredible noise isolation – cancels 54% more of the noise around you**.

Guard your concentration zone with an improved busylight

Our new and improved busylight is more visible than ever, allowing you to be seen from every angle, for even fewer interruptions. So you can work in peace.

Be heard and understood, wherever you are

We've built 10 microphones and an enhanced digital chipset that's three times more powerful into the Evolve2 85 for 97% less background conversation noise on your calls**. So, you'll always be heard in the open office or on the go, regardless of what's going on around you.

Teams-certified means teams are satisfied

When communication is easy, everyone is happy, with both Microsoft Teams and their headset. Evolve2 85 is Teams-certified with a dedicated Teams button, for truly seamless collaboration.

Bigger speakers, better chipset, brilliant audio

Never miss a thing, thanks to powerful leak-tolerant 40mm speakers and our most advanced digital chipset ever. And with the latest AAC codec, you get high-definition audio, for richer sound.

Work wirelessly all week

Get up to 37 hours of use between charges, even when connected to two devices, while a handy optional charging stand acts as back-up, just in case.

Designed for comfort, built to last

Enjoy all-day comfort, with soft memory foam and an ergonomic over-ear design created from hundreds of head scans and built with durable, premium materials.

Future-proof tech that gets better with age

Upgradeable platform that will add even more value to your investment with future firmware upgrades through Jabra Xpress.

HOW TO **START AND PAIR**

Plug the pre-paired Jabra Link 390 into a USB port on your computer

Slide the On/Off switch to the Bluetooth position and hold it there until the LED flashes blue

Follow the voice instructions in the headset to pair to your smartphone

HOW TO **CHARGE**

Charge with either the charging stand accessory or a USB charging cable.
